Did Simpson end up taking a plea? Since I haven't heard back from you, I'm going to assume that either he did plea or that I am on-call for the case. If I am definitely needed, give me a call as soon as you know so I can get ready and get to Pittsfield. Thanks.

Hi Dana-

Is everything still on for tomorrow (5/22)? Do you think it is definitely going to trial? Are you going to want me there at a set time, or would you rather have me on call?

I also wanted to let you know that, over the past week or so, 2 different Superior Court ADA's in Springfield have contacted me about cases that are going into the trial pool today. They don't know which cases will be picked when, but I did inform them of your case and think that they are willing to work around your/my schedule. Thanks.

Hi Sonja,

Im writing to give you a heads up on this case. Today, the defendant's bail was revoked and the judge moved the trial date up to 5/22. I know this is very short notice. If for some reason, you will not be available on that day, please let me know and I will bring the matter before the court for rescheduling.

Thanks,

Dana
